### REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: a method for copying and pasting data in a source range of cells to a destination range of cells by selecting a source range of cells and a destination range of cells to perform copying and pasting data was known in the art. However, a method of copying data in a source range of cells and pasting data to a destination range of cells in a spreadsheet where the visual appearance of the source range of cells is removed when invoking a break-paste command to break the relationship previously established between the source range of cells and the destination range of cells was not disclosed by the prior art of record, and would not have been obvious to a person of ordinary skill at the time of the invention in view of the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Cong-Lac Huynh whose telephone number is (571) 272-4125.
